SDG 1

End poverty in all its forms everywhere

More than 700 million people, or 10 per cent of the world population, still live in extreme poverty, struggling to fulfil the most basic needs like health, education, and access to water and sanitation. Your active engagement can make a difference in addressing poverty. Explore how your existing work links to SDG 1, and how you can deepen your engagement in addressing poverty!

**Targets under SDG 1 – End of poverty in all its forms everywhere**

1.1 By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than $1.25 a day

1.2 By 2030, reduce at least by half the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions

1.3 Implement nationally appropriate social protection systems and measures for all, including floors, and by 2030 achieve substantial coverage of the poor and the vulnerable

1.4 By 2030, ensure that all men and women, in particular the poor and the vulnerable, have equal rights to economic resources, as well as access to basic services, ownership and control over land and other forms of property, inheritance, natural resources, appropriate new technology and financial services, including microfinance

1.5 By 2030, build the resilience of the poor and those in vulnerable situations and reduce their exposure and vulnerability to climate-related extreme events and other economic, social and environmental shocks and disasters

1.a Ensure significant mobilization on resources from a variety of sources, including through enhanced development cooperation, in order to provide adequate and predictable means for developing countries, in particular least developed countries, to implement programmes and policies to end poverty in all its dimensions
Step 13: By clicking on the target, the related questions and indicators open.

**Targets under SDG 2 – Zero Hunger**

- 2.1 By 2030, end hunger and ensure access by all people, in particular the poor and people in vulnerable situations, including infants, to safe, nutritious and sufficient food all year round

- 2.2 By 2030, end all forms of malnutrition, including achieving, by 2025, the internationally agreed targets on stunting and wasting in children under 5 years of age, and address the nutritional needs of adolescent girls, pregnant and lactating women and older persons

**Targets under SDG 3 – Ensure healthy lives and promote well-being for all at all ages**

- 3.1 By 2030, reduce the global maternal mortality ratio to less than 70 per 100,000 live births

- 3.2 By 2030, end preventable deaths of newborns and children under 5 years of age, with all countries aiming to reduce neonatal mortality to at least as low as 12 per 1,000 live births and under-5 mortality to at least as low as 25 per 1,000 live births

- 3.4 By 2030, reduce by one third premature mortality from non-communicable diseases through prevention and treatment and promote mental health and well-being
Step 15: Once you are done, click on ‘Submit’ to save your submission. You will then automatically receive an email with your results in a PDF document. **Important:** You can no longer edit your responses after clicking on ‘Submit’.

**Targets under SDG 11 – Sustainable cities and communities**

11.5 By 2030, significantly reduce the number of deaths and the number of people affected and substantially decrease the direct economic losses relative to global gross domestic product caused by disasters, including water-related disasters, with a focus on protecting the poor and people in vulnerable situations

**Targets under SDG 13 – Take urgent action to combat climate change and its impacts**

13.1 Strengthen resilience and adaptive capacity to climate-related hazards and natural disasters in all countries
